14days  
**Intensive training**  
with Ling & Lu

The courses will focus on  
the basic theory, the search  
for the root causes of  
disease, and the root cure.

The first course: 1th - 7th of

**Therapist certificate**

course

The second course: 9th - 15th of

**Discover** the root cause of illness,

**Activate** the power of your self-

healing!

# ***Enrollment target***

**We expect participants to complete as much of the two courses as possible if conditions permit.**

**This study will bring you life-long benefits!!!**

1. For people who have taken our online primary healing course, and would like to become therapist: You must participate in the full two weeks course to a high enough standard AND also pass the final exam.

If you cannot attend the full courses, you cannot get the certificate, but you can accumulate corresponding points. When conditions permit, you can complete the missing courses and make up the points, then you can still get the certificate.

2. For people who wish to strengthen their immunity and lead a healthy lifestyle through Qigong: Join our course, deepen your understanding of Qigong, and gain credit for further healing courses or certificate.

3. We welcome healers from any background! If you have studied Eastern or Western medicine, psychology, spiritual healing or counselling, we'd love to show you our "Healing of this reality".

4. Maybe you would just like to join an intensive, in depth qigong healing course. You also could share and invite patients around you to join for the course or for follow up treatments.
